

Sign of the Times

Harry Styles

Just stop your crying
It's a sign of the times
Welcome to the final show
Hope you're wearing your best clothes
You can't bribe the door on your way to sky
You look pretty good down here
But you ain't really good
If we never learned, we been here before
Why are we always stuck and running from
The bullets
The bullets
We never learned, we been here before
Why are we always stuck and running from
The bullets
The bullets
Just stop your crying
It's a sign of the times
We gotta get away from here
We gotta get away from here
Just stop your crying
It will be alright
They told me that the end is near
We gotta get away from here
Just stop crying
Have the time of your life
Breaking through the atmosphere
Things are pretty good from here
Remember everything will be alright
We can meet again somewhere
Somewhere far away from here
If we never learned, we been here before
Why are we always stuck and running from
The bullets
The bullets
We never learned, we been here before
Why are we always stuck and running from
The bullets
The bullets
Just stop your crying
It's a sign of the times
We gotta get away from here
We gotta get away from here
Just stop your crying
It will be alright
They told me that the end is near

We gotta get away from here
If we never learned, we been here before
Why are we always stuck and running from
The bullets
The bullets
We never learned, we been here before
Why are we always stuck and running from
The bullets
The bullets
We don't talk enough
We should open up
Before it's all too much
Will we ever learn?
We've been here before
It's just what we know
Stop your crying baby
It's a sign of the times
We gotta get away
We got to get away
We got to get away
We got to get away
We got to get away
We got to, we got to
We got to, we got to
We got to, we got to
