

Oh Yeah

Chickenfoot

If I were a healer, I'd use my hands
I'd put a spell on you if I were a magic man
If I were Jesus, Buddha or a king
If I were a bluesman, oh Lord, I could sing About how I wanna be your hoochie coochie man
You got me eatin' out of your hand (Oh yeah)
Come on baby, tell me what you want
(Oh yeah)
Come on baby, tell me what you need
(Oh yeah)
There ain't nothin' I wouldn't do for you
Oh yeah
When I was a young man, I, I slept around
When I turned 30, tried to settle down
To be your doctor, preacher, teacher, that's the truth, hey
Operatin' on my knees, my soul is waterproof I just wanna be your hoochie coochie man
And get you eatin' out of my hand [(Oh yeah)] Wooh
Now, come on baby, tell me what you want
[(Oh yeah)]
Come on baby, tell me what you need
[(Oh yeah)]
Ain't nothin' I wouldn't do for you
Oh yeah Ooh, baby
Ooh, baby
Woah, yeah, uh
Oh baby
Ooh, yeah
Well, well, well If I were a potter, I'd make you real
I'd mold and touch you on my spinning wheel [(Oh yeah)]
Yeah, come on baby, tell me what you want
[(Oh yeah)]
Come on baby, tell me what you need
[(Oh yeah)]
Tell me what I can do for you
Oh yeah Said [(Oh yeah)]
Come on baby, tell me what you want
[(Oh yeah)]
Come on baby, tell me what you need
[(Oh yeah)]
I'd do anything for you, oh
Oh yeah
Oh yeah Ha, ow, yeah
