

Good Fortune

PJ Harvey

Threw my bad fortune
Of the top of
A tall building
I'd rather have done it with you
Your boy's smile
Five in the morning
Looked into your eyes
And I was really in love
In chinatown
Hung over
You showed me
Just what I could do
Talking about
Time travel
And the meaning
Just what it was worth
And I feel like
Some bird of paradise
My bad fortune slipping away
And I feel the
Innocence of a child
Everybody's got something good to say
Things I once thought
Unbelievable
In my life
Have all taken place
When we walked through
Little italy
I saw my reflection
Come right of your face
I paint pictures
To remember
You're too beautiful
To put into words
Like a gypsy
You dance in circles
All around me
And all over the world
And I feel like
Some bird of paradise
My bad fortune slipping away
And I feel the
Innocence of a child
Everybody's got something good to say
So I take my
Good fortune

And I fantasize
Of our leaving
Like some modern-day
Gypsy landslide
Like some modern day
Bonnie and clyde On the run again
On the run again
