## Taylor Swift

Betty, I won't make assumptions about why you switched your homeroom  
But I think it's 'cause of me  
Betty, one time I was riding on my skateboard when I passed your house  
It's like I couldn't breathe  
You heard the rumors from Inez  
You can't believe a word she says  
Most times, but this time it was true  
The worst thing that I ever did  
Was what I did to you But if I just showed up at your party  
Would you have me?  
Would you want me?  
Would you tell me to go fuck myself  
Or lead me to the garden?  
In the garden would you trust me  
If I told you it was just a summer thing?  
I'm only seventeen  
I don't know anything but I know I miss you  
Betty, I know where it all went wrong  
Your favorite song was playing from the far side of the gym  
I was nowhere to be found, I hate the crowds, you know that  
Plus, I saw you dance with him  
You heard the rumors from Inez  
You can't believe a word she says  
Most times, but this time it was true  
The worst thing that I ever did  
Was what I did to you But if I just showed up at your party  
Would you have me?  
Would you want me?  
Would you tell me to go fuck myself  
Or lead me to the garden?  
In the garden would you trust me  
If I told you it was just a summer thing?  
I'm only seventeen  
I don't know anything but I know I miss you  
I was walking home on broken cobblestones  
Just thinking of you when she pulled up  
Like a figment of my worst intentions  
She said "James, get in, let's drive"  
Those days turned into nights  
Slept next to her but  
I dreamt of you all summer long Betty, I'm here on your doorstep  
And I planned it out for weeks now but, it's finally sinking in

Betty, right now is the last time  
I can dream about what happens when you see my face again  
The only thing I wanna do  
Is make it up to you So, I showed up at your party  
Yeah, I showed up at your party  
Yeah, I showed up at your party  
Will you have me?  
Will you love me?  
Will you kiss me on the porch in front of all your stupid friends?  
If you kiss me  
Will it be just like I dreamed it? Will it patch your broken wings?  
I'm only seventeen  
I don't know anything  
But I know I miss you  
Standing in your cardigan  
Kissing in my car again  
Stopped at a streetlight, you know I miss you
