

So What

Three Days Grace

So what if I'm crazier than crazy?
So what if I'm sicker than sick?
So what if I'm out of control?
Maybe that's what I like about it You could say that I'm going insane
And I'm not quite right
And I'm that to blame You could say that I'm sick on the inside Bet you don't know why I like it
that way
You could say whatever you like
If it's so wrong I don't wanna be right
So what if I'm crazier than crazy?
So what if I'm sicker than sick? So what if I'm out of control?
Maybe that's what I like about it
So what? So what?
You could say that I'm going insane And I'm not quite right
And that I'm to blame I don't care you could say what you want to
I am who I am and I'll never be like you
You could say whatever you like
If it's so wrong I don't wanna be right
So what if I'm crazier than crazy?
So what if I'm sicker than sick?
So what if I'm out of control?
Maybe that's what I like about it
So what?
So what?
And when I'm up it's better than never
And when I'm down I'm desperate
And when I'm up it's better than never
And when I'm down I'm desperate
I'm desperate
I'm desperate
So what
If I'm crazier than crazy?
So what if I'm sicker then sick?
So what if I'm out of control?
Maybe that's what I like about it
So what?
So what?
