

Peaches N Cream (feat. Charlie Wilson)

Snoop Dogg

She's 'bout to go in
She likes that low end
Damn, her ass is so big
Just keep it bumpin'
Peaches N Cream She too fly for words
And where I'm at now I'm too high for birds
Shorty what you think about my return?
Cuz what he think about it ain't my concern
I ain't come for you I came for your misses
I don't do it for the haters, I do it for the players
Well okay, I do it for the riches
But in the mean time and in-between time
Shorty right there gon' get it
If she with it if she ain't
Then I know her partner down cuz her partner throwin shots
Every time I turn around, and her partner bringing partners every time I come to town
I'm a G6er, a Maybacher
You can tell the chauffeur he can park it right there
And I'ma walk up to the club upstairs
And when I come down he can bring it backward
She's 'bout to go in
She likes that low end
Damn, her ass is so big
Just keep it bumpin'
Peaches N Cream Uh oh there she goes
That's that look all on her face
Shorty dancing like she knows
She's the baddest in the place
Hey, hey, I wanna get with you
Freak, don't fail me now
Hey, so what you wanna do?
Got her freak-um dress on
Them newbies on her feet
And them bottles with the sparkles
So the other girls can see that she's...
Paid, I wanna get with you
So Freak, don't fail me now
Hey, so what you wanna do?
I came to cut right now
Big Snoop Dogg and I came to get down
Yes, I'm internationally known
Libra lovin' make you moan and groan

Burn my gas like race cars
Two bad broads with the bass on
I never met a girl that I'd wait for
I seal my deal like Jay does
I'm all that and then some
Pimp real for real when I win some
I remember what you're thinking
Black shades on drinking while you're blinking
Something fly, white limousine
Make a clean getaway
I love the clothes, what you about
The way you let it out She's 'bout to go in
She likes that low end
Damn, her ass is so big
Just keep it bumpin'
Peaches N Cream Uh oh there she goes
That's that look all on her face
Shorty dancing like she knows
She's the baddest in the place
Hey, hey, I wanna get with you
Freak, don't fail me now
Hey, so what you wanna do?
Got her freak-um dress on
Them newbies on her feet
And them bottles with the sparkles
So the other girls can see that she's...
Paid, I wanna get with you
Freak, don't fail me now
Hey, so what you wanna do? Everybody in the world
Here we go
Fill your body with the smoke
And that's the way it goes She's 'bout to go in
She likes that low end
Damn, her ass is so big
Just keep it bumpin'
Peaches N Cream Uh oh there she goes
That's that look all on her face
Shorty dancing like she knows
She's the baddest in the place
Hey, hey, I wanna get with you
Freak, don't fail me now
Hey, so what you wanna do?
