

# Good Day

## Nappy Roots

Let's begin Now You know today I just woke up and I said  
You know instead of waitin' on a good day  
Waitin' around through up's and down's waitin' on something to happen I just say We're gonna  
have  
We're gonna have  
We're gonna have a good day  
And all my homies gonna ride today  
And all these mommies look fly today  
And all we wanna do is get by today  
Heyyy  
We're gonna have a good day  
And ain't nobody gotta cry today  
Cause ain't nobody gonna die today  
Save that drama for another day  
Heyyy we're gonna have a good day Hairline fresh, new cologne on  
Feelin' so good changed the color to my phone  
Orange kool-aid go good with patron  
A naw hell naw boy still my ring tones  
Free car wash had to clean up the dodge  
Get back when I can just playin' my part  
Church folk had a fish fry  
Mustard, hot sauce, light bread, and french fries  
Love for the big guy  
Hit the park, boys showin' off their hops Nappy Roots on the radio and you know it bops  
Last night I hit the pick tree bought some Air Force Ones  
4 tall tees man I love the Begees  
We're gonna have  
We're gonna have  
We're gonna have a good day  
And all my homies gonna ride today  
And all these mommies look fly today  
And all we wanna do is get by today  
Heyyy  
We're gonna have a good day And ain't nobody gotta cry today  
Cause ain't nobody gonna die today  
Save that drama for another day  
Heyyy we're gonna have a good day We're gonna have a good day  
And I fin to worry bout what noboy say  
I'm still above ground that's the reason I pray  
Got my car cleaned up now I'm ready to play  
Make call to the sticks say I'm headin' dat way  
Heard my cousin cookin out I gotta get me a plate

Got new outfit ain't even out in the states  
So if they ain't speakin' to soon but this is a hell of a  
day

And these dickies got me sitin' in a hell of a place  
Got my stunna shades on and grin on my face  
My grill looks mean but I swear I'm straight  
And the hood showin' love so I'm a okay  
We're gonna have  
We're gonna have

We're gonna have a good day  
And all my homies gonna ride today  
And all these mommies look fly today  
And all we wanna do is get by today  
Heyyy  
We're gonna have a good day  
And ain't nobody gotta cry today  
Cause ain't nobody gonna die today  
Save that drama for another day

Heyyy we're gonna have a good day  
We might as well do what the children sayin'  
Take a day off hit park and just hang  
Barbque roll a few and put up your dukes  
If it's beef put down the peace up and put down your dukes  
It's time to change our ways  
So we can save the day

For the children sake and make a better place to play  
And if it's all good break out your click  
and grip your wood

And if you ridin' dirty just light your swift and blow yor sss...  
But dot real big exactly like a player should  
Enjoy your 24's do your thang and rep your hood  
The world is all yours  
But still we all bound forever

In a day the choice you make is relly all fine  
We're gonna have  
We're gonna have

We're gonna have a good day  
And all my homies gonna ride today  
And all these mommies look fly today  
And all we wanna do is get by today

Heyyy

We're gonna have a good day  
And ain't nobody gotta cry today  
Cause ain't nobody gonna die today  
Save that drama for another day

Heyyy we're gonna have a good day
