

# The Fall Song

[Bridgit Mendler](#)

Set your clock back  
Looking at the map  
Wondering where you be at  
'Cause it's so bad  
When you're not around  
You're never around It used to be you and me  
Holding hands, smoldering  
Kicking up leaves  
Talking about getting older  
But now you're not around You'll never be a rhyme or reason  
For when it rolls around to this season  
When all the leaves start their turning  
And you start to burn again in my brain  
I'm falling for you, I'm falling  
I can't forget you  
Now it's cold and all of the leaves  
On all of the trees are falling with me  
Down to the ground  
And I'm falling for you You're like a good book  
Snuggled up on the sofa  
When it's raining outside  
But I'm warm  
'Cause I feel you around  
But you're so out of town I kinda wanna call  
But I bet that you're busy  
With that fancy new job  
And the fall won't affect you  
Like how it makes me feel now  
October is so overwhelming  
And all of my friends they tell me  
November it should get better  
But I still see you all over the place I'm falling for you, I'm falling  
I can't forget you  
Now it's cold and all of the leaves  
On all of the trees are falling with me  
Down to the ground  
And I'm falling, I'm falling Oh, you are like sunshine  
With a chance of rain  
I love the cool crisp air  
And I don't care if you're near  
'Cause I feel you like you're here  
You're everywhere

I'm falling for you, I'm falling  
I can't forget you  
Now it's cold and all of the leaves  
On all of the trees are falling with me  
Down to the ground  
And I'm falling, I'm falling  
I'm falling for you
