

# Tell Me What You Want Me to do

Tevin Campbell

Oh baby, girl, baby, yeah yeah  
I love you girl  
You called me up and I came to see you  
You say you've been awake all night When light goes down, I see no reason  
For you to cry. We've been through this before In every time, in every season  
God knows I've tried  
So please don't ask for more. Can't you see it in my eyes  
This might be our last goodbye  
Carrie, Carrie, things they change my friend  
Carrie, Carrie, maybe we'll meet again  
I read your mind, with no intentions  
Of being unkind, I wish I could explain  
It all takes time, a whole lot of patience  
If it's a crime, how come I feel no pain.  
Can't you see it in my eyes  
This might be our last goodbye  
Carrie, Carrie, things they change my friend  
Carrie, Carrie, maybe we'll meet again Can't you see it in my eyes  
This might be our last goodbye  
Carrie, Carrie, things they change  
things they change Carrie, Carrie, Carrie Carrie, Carrie, maybe we'll meet again  
or somewhere again  
when lights go down It hurts me deep inside when I see you cryin'  
Whatever's wrong I'll make it right  
If you understand how I feel  
You should know that my love is real, oh  
Tell me what you want me to do  
My love is always here for you, oh  
Tell me what you want me to do  
My love is always here for you  
So tell me what you want me to do  
Tell me girl  
There were times that I didn't show it  
Just how much I care for you, I'm so sorry  
Now don't keep sayin', "It's too late to think it over", my baby  
After all that we've been through  
Girl, I'm beggin' you, I'm down on my knees  
Don't walk away, baby please don't leave me now  
Tell me what you want me to do, oh  
My love is always here for you, oh  
Tell me what you want me to do, oh  
My love is always here for you

So tell me what you want me to do, oh baby yeah  
Girl I know that we can work it out somehow  
Isn't that what love's all about  
I'm gonna be by your side, we're gonna see it through this time  
I won't let you slip away, say you'll stay with me  
Stay with me girl  
'Cause you're the finest girl that I've ever seen  
Tell me, tell me what you want me to do, baby  
My love is always here for you and only you, oh  
Tell me what you want me to do  
My love is always here for you  
So tell me what you want me to do, yeah yeah yeah  
So tell me what you want me to do, yeah  
Tell me girl
