

Tell Me What You Want Me to do

Tevin Campbell

Oh baby, girl, baby, yeah yeah
I love you girl
You called me up and I came to see you
You say you've been awake all night When light goes down, I see no reason
For you to cry. We've been through this before In every time, in every season
God knows I've tried
So please don't ask for more. Can't you see it in my eyes
This might be our last goodbye
Carrie, Carrie, things they change my friend
Carrie, Carrie, maybe we'll meet again
I read your mind, with no intentions
Of being unkind, I wish I could explain
It all takes time, a whole lot of patience
If it's a crime, how come I feel no pain.
Can't you see it in my eyes
This might be our last goodbye
Carrie, Carrie, things they change my friend
Carrie, Carrie, maybe we'll meet again Can't you see it in my eyes
This might be our last goodbye
Carrie, Carrie, things they change
things they change Carrie, Carrie, Carrie Carrie, Carrie, maybe we'll meet again
or somewhere again
when lights go down It hurts me deep inside when I see you cryin'
Whatever's wrong I'll make it right
If you understand how I feel
You should know that my love is real, oh
Tell me what you want me to do
My love is always here for you, oh
Tell me what you want me to do
My love is always here for you
So tell me what you want me to do
Tell me girl
There were times that I didn't show it
Just how much I care for you, I'm so sorry
Now don't keep sayin', "It's too late to think it over", my baby
After all that we've been through
Girl, I'm beggin' you, I'm down on my knees
Don't walk away, baby please don't leave me now
Tell me what you want me to do, oh
My love is always here for you, oh
Tell me what you want me to do, oh
My love is always here for you

So tell me what you want me to do, oh baby yeah
Girl I know that we can work it out somehow
Isn't that what love's all about
I'm gonna be by your side, we're gonna see it through this time
I won't let you slip away, say you'll stay with me
Stay with me girl
'Cause you're the finest girl that I've ever seen
Tell me, tell me what you want me to do, baby
My love is always here for you and only you, oh
Tell me what you want me to do
My love is always here for you
So tell me what you want me to do, yeah yeah yeah
So tell me what you want me to do, yeah
Tell me girl
