

Be Grateful

Jennifer Hudson, Forest Whitaker & Jacob Latimore

Be grateful
Be grateful Cold as no HEART promised me .sunshine
That's not the way it's going to be
Of the little rain
Makes me caught sunshine a little place (a grateful place)
Lets APPRECIATE the good time Be grateful My DESIRES to feel your long dreams
Every pain that you feel, he feels that
Just like you
But he can't AFFORD to let you feel only good (only good)
Then you can't APPRECIATE that good time
Be a bit grateful
Be grateful Be grateful (Be grateful)
Cause that someone else who worth something
Be grateful
Cause that someone else who ought to be in your shoes
Be grateful
He sayin' this word that he will never forsake you
Be grateful
Can't say you this word that he will never lead you
Be grateful, Be grateful
Be grateful, hey yeah
Be grateful, be great,
Be grateful for what you've care
And anything you . Be grateful, grateful
For everything that you've done,
For everything that you're not
So be grateful
For everything you .
Grateful
You gotta be grateful
That you've got .
