

# You're the Voice

## Heart

We have a chance to turn the pages over  
We can write what we want to write  
We gotta make ends meet before we get much older  
We're all someone's daughter  
We're all someone's son  
How long can we look at each other  
Down the barrel of a gun? You're the voice  
Try and understand it  
Make a noise and make it clear  
Oh, whoa  
We're not gonna sit in silence  
We're not gonna live with fear  
It's time you know we all should stand together  
We got the power to be powerful  
And believe it we could make it better  
We're all someone's daughter  
We're all someone's son  
How long can we look at each other  
Down the barrel of a gun?  
You're the voice try and understand it  
Make a noise and make it clear  
We're not gonna sit in silence  
We're not gonna live with fear
