One

OneBaby I'm not here to start a fight
But I just thought I'd let you know
(Just thought I'd let you know)'Cause the way that you've been treating me
It's so unfair baby it's so cold

(One)

You want me

You want me

(One)

You want me

Anytime you want me

(One)

You want me

You want me

(One)

You want me

Anytime you want me too

Okay then watch what I say then

If you like champagne, swing my way then

All the galdem', what am I gainin'

What I, w-what am I gainin'

Okay then watch what I say then

If you like champagne, swing my way then

All the galdem', what am I gainin'

What I, w-what am I gainin'OneOneGot a unique swag and I pull it off

Give me ana baseline and I kill it off

When I soundcloud when I fan page

When A fan press play

Tempo up as I drill it off

Boom C4 when the mic and it's going off

Pretty boy swag so flash

yeah I'm showing off

Put me in a club any town any city man

Better beware the club Bruce blowing offBoom Ba ba bam it's zanetti in the mix

Giving all the ravers a sick refix

Baseline just from an electrode

twist

Whether you need sound

my styles are wickedist

I love getting High

Fly like a G6
Took off the floor with a style that's crisp
City of Leeds top boy vocalist
And as for insomnia yeah that's sickBaby I'm not here to start a fight
But I just thought I'd let you know
(Just thought I'd let you know)'Cause the way that you've been treating me
It's so unfair baby it's so cold(One)
