

Holding All These Lies

Korn

Do you really want to see?
I don't think I can take this anymore
You are naive & I am nothing
I'm disgusting & so much more. Holding All The Lies I told you
Feeling like somehow I spoiled you
Dying is a trial I've been to
This is the time for truth & pain. Do you really want to see the torment hatred of this world?
Hand in a book & I believed it
All it brought me was pain & more. Holding All The Lies I told you
Feeling like somehow I spoiled you
Dying is a trial I've been to
This is the time for truth & pain.
Holding All The Lies I told you
Feeling like somehow I spoiled you
Dying is a trial I've I been to
This is the time for truth & pain. I believe. I believe. Holding All These Lies I told you.
Holding All The Lies I told you. Holding All These Lies I told you!
Holding All These Lies I told you. Lies I told you... Holding All The Lies I told you
Feeling like somehow I spoiled you
Dying is a trial I've been to
This is the time for truth & pain. Truth is pain.
Truth is pain.
Truth is pain.
Truth is pain.
Truth is pain. I believe
I never meant to hurt you.
I believe
I never meant to betray you.
I never meant to hurt you.
I never meant to hurt you.
