The Devil's Bleeding Crown

Volbeat

Falling From The Sky The Castout From Heaven's Light Drenching The Soil With Blood **Baptized In The Firehole** The Devil's Spawn No Longer Breathes **Descending Angels And Fallen Kings Raise Your Hands** What Do You Hold? The Devil's Bleeding Crown Call Upon It's Father Bless The Goat The Womanizer Take Him To Astaroth Inanna's Temple Of Uruk The Devil's Spawn No Longer Breathes Descending Angels And Fallen Kings **Raise Your Hands** What Do You Hold? The Devil's Bleeding Crown They Gathered All The Children Outside The Church And Never Would They Know What Went On In There Close The Door And Hear All The Angels Scream Oh Mercy Mercy Mercy Oh Mercy Please Down Down Down Down Below You Can Hear His Hoof Digging Through The Ground Oh Lord Lord Lord The Horned One Is Back And He Wants His Crown The Devil's Spawn No Longer Breathes Descending Angels And Fallen Kings **Raise Your Hands** What Do You Hold? The Devil's Bleeding Crown
