

# Closer (Originally By Nine Inch Nails)

Richard Cheese

You let me violate you  
You let me desecrate you  
You let me penetrate you  
You let me complicate you Help me, I broke apart my insides  
Help me, I got no soul to sell  
Help me, the only thing that works for me  
Help me get away from moi I want to fuck you like an animal  
I want to feel you from the inside  
I want to fuck you like an animal  
My whole existence is flawed  
You get me closer to God  
You can have my isolation  
You can have the hate that it brings  
You can have my absence of faith  
You can have my everything  
I want to fuck you like an animal  
I want to feel you from the inside  
I want to fuck you like an animal  
You get me closer to God God!
