

# As We Lay

Shirley Murdock

It's morning,  
and we slept the night away~  
It happened,  
now we can't turn back the hands of time  
(oh no)Yes we've stolen this moment,  
We forgot to face, one simple fact  
We both belong~ to someone else  
As we slept, the night awayIt's morning,  
sunlight shines across your sleeping face (uh huh)  
A new~ day,  
brings reality that we must go our  
Se~parate way  
What a lovely night, we had (yeah yeah)  
As we shared each other's love  
We forgot about all the pain we'd cause  
as we slept the night away  
Hook  
As we lay  
We forgot about tomorrow as we lay (mmhmm, hey hey)  
As we lay  
We didn't think about the price we'd have to pay(oh no, no no no no no no no)It's morning  
And now it's time for us to say goodbye  
Goodbye baby  
you're lea~ving me,  
I know you got to hurry home to face your wi~fe, whoa  
I would never never want to hurt her no  
She would never understand  
You belonged to me for  
just one night  
as we slept the night away(whoa) (mmmmm) (whoa)  
I would never never want to hurt her no  
She would never understand  
You belonged to me for  
just one night  
as we slept the night awayHook  
As We Lay  
We forgot about tomorrow  
As we lay  
We didn't think about the price we'd have to pay... oh no heyWe should have counted up the  
cost  
but instead we got lost  
in the second, in the minute, in the hour

hey hey, hey as we lay  
we forgot about tomorrow, as we lay  
whoaÜberBotIt's morning (it's morning) (oo oo)  
It's morning (it's morning) (whoa~~)  
It's morning (whoa~~)
