

# Rhinestone Eyes

## Gorillaz

I'm a scary gargoyle on a tower  
That you made with plastic power  
Your rhinestone eyes are like factories far away  
When the paralytic dreams that we all seem to  
keep  
Drive on engines till they weep  
With future pixels in factories far away  
So call the mainland from the beach  
All parties now washed up in bleach  
The waves are rising for this time of year  
And nobody knows what to do with the heat  
Under sunshine pylons we'll meet  
While rain is falling like rhinestones from the sky  
I got a feeling now my heart is frozen  
All the verses and the corrosion  
Have been after native in my soul  
I prayed on the unmovable  
Yeah, clinging to the atoms of rock  
Seasons, the adjustments  
Times have changed  
I can't see now, she said "taxi"  
Now that light is so I can take  
This storm bring strange loyalties and skies  
I'm a scary gargoyle on a tower  
That you made with plastic power  
Your rhinestone eyes are like factories far away  
Here we go again  
That's electric  
That's electric  
Helicopters fly over the beach  
Same time every day, same routine  
A clear target in the summer when skies are blue  
Its part of the noise when winter comes  
It reverberates in my lungs  
Natures corrupted in factories far away  
Here we go again  
That's electric  
Your love's like rhinestones falling from the sky  
That's electric  
With future pixels in factories far away  
Here we go again  
That's electric  
Your love's like rhinestones falling from the sky  
That's electric  
With future pixels in factories far away  
Here we go again
