Tonight's the night I get in some shit (yeahhh)
+Deep Cover+ on the incognito tip
Killin motherfuckers if I have to, peelin caps too
cause you niggaz know I'm comin at you
I guess that's part of the game; but I feel for the nigga
who think he just gon' come and change thangs
With the swiftness, so get it right with the quickness
And let me handle my business, yo
I'm on a mission and my mission won't stop
Until I get the nigga maxin at the top
(I hope you get his ass 'fore he drop)
Kingpin kickin back while his workers slang his rocks
Coming up like a fat rat
Big money, big cars, big bodyguards on his back
So it's difficult to get him
(But I got the hook up with somebody
who knows how to get in contact with him)
Hit him like this and like that
Let 'em know that I'm lookin for a big fat dope sack
With ends to spend, so let's rush it
If you want to handle it tonight, we'll discuss it
On a nigga's time, and a nigga's place
Take my strap just in case one of his boys recognize my face
Cause he's a sheisty motherfucker
But I gives a fuck; cause I'm going +Deep Cover+
(Dr. Dre) + (Snoop)
Yeah, and you don't stop
(Cause it's 1-8-7 on a undercover cop)
Yeah, and you don't stop
(Cause it's 1-8-7 on a undercover cop)(Snoop Doggy Dogg) + (Dre)
Creep with me, as I crawl through the hood
Maniac, lunatic, call me Snoop Eastwood
Kickin dust as I bust, fuck peace

And, the motherfuckin punk police
You already know I gives a fuck about a cop
So why in the fuck would you think that it would stop?
Plot, yeah, that's what we's about to do
Take yo' ass on a mission with the boys in blue
Dre (whattup Snoop?) Yo, I got the feelin
Tonight's the night like Betty Wright, and I'm chillin
Killin, feelin, no remorse, yeah
So lets go straight to the motherfuckin source
And see what we can find
Crooked-ass cops that be gettin niggaz a gang of time
And now they wanna make a deal with me
Scoop me up and put me on they team and chill with me
. and make my pockets bigger
They want to meet with me tonight at seven o'clock (so whassup nigga?)
What you wanna do? (What you wanna do?)
I got the gauge, a uzi, and my motherfuckin twenty-two
So if you wanna blast, nigga we can buck 'em
If we stick 'em then we struck 'em, so fuck 'em!
("I can feel it!")(Snoop Doggy Dogg) + (Dre)
Six-fo'-five was the time on the clock
When me and my homey belled in the parkin lot
The scene looked strange and it felt like a set up
(Better not be, cause if it is they gettin lit up!)
Oh - here they come from the back in they 'llacs
I'm checkin for the gats they strap, so whassup black?
(Chill, let's hear the deal
If it ain't up to what you feel then grab your steel)
Right, so, what you motherfuckers gon' come at me with?
Hope you ain't wantin none of my grip
Cause you can save that shit (guess what they told me?)
"We give you 20 G's if you snitch on your homey
We'll put you in a home, and make your life plush
Oh yeah, but you got to sell dope for us."
Hmmm, let me think about it
Turned my back and grabbed my gat
and guess what I told him before I shot it:
"If you don't quit, yeah, if you don't stop, yeah
I'm lettin my gat pop - cause it's 1-8-7 on a undercover cop!"() - repeat to fade
