Billie Eilish & Khalid

Thought I found a way
Thought I found a way, yeah (found)
But you never go away (never go away) So I guess I gotta stay now Oh, I hope someday I'll
make it out of here
Even if it takes all night or a hundred years
Need a place to hide, but I can't find one near
Wanna feel alive, outside I can fight my fear Isn't it lovely, all alone
Heart made of glass, my mind of stone
Tear me to pieces, skin and bone
Hello, welcome home
Walkin' out of town
Lookin' for a better place (lookin' for a better place)
Something's on my mind
Always in my headspace Oh, I hope someday I'll make it out of here
Even if it takes all night or a hundred years
Need a place to hide, but I can't find one near
Wanna feel alive, outside I can fight my fear Isn't it lovely, all alone
Heart made of glass, my mind of stone
Tear me to pieces, skin and bone
Hello, welcome home
Woah, yeah
Yeah, ah
Woah, ah
Hello, welcome home
