

Winter

Tori Amos

Snow can wait, I forgot my mittens
Wipe my nose, get my new boots on
I get a little warm in my heart when I think of winter
I put my hand in my father's glove I run off where the drifts get deeper
Sleeping Beauty trips me with a frown
I hear a voice, "You must learn to stand up
For yourself 'cause I can't always be around" He says, when you going to make up your mind?
When you going to love you as much as I do?
When you going to make up your mind?
'Cause things are going to change so fast
All the white horses are still in bed
I tell you that I'll always want you near
You say that things change, my dear
Boys get discovered as winter melts
Flowers competing for the sun
Years go by and I'm here still waiting
Withering where some snowman was Mirror, mirror, where's the crystal palace?
But I only can see myself
Skating around the truth who I am
But I know, dad, the ice is getting thin When you going to make up your mind?
When you going to love you as much as I do?
When you going to make up your mind?
'Cause things are going to change so fast
All the white horses are still in bed
I tell you that I'll always want you near
You say that things change, my dear
Hair is grey and the fires are burning
So many dreams on the shelf
You say I wanted you to be proud of me
I always wanted that myself When you going to make up your mind?
When you going to love you as much as I do?
When you going to make up your mind?
'Cause things are going to change so fast
All the white horses have gone ahead
I tell you that I'll always want you near
You say that things change, my dear Never change
All the white horses
