Here I Come

Dennis Brown

Love and hate can never be friends Oh no, oh no Here I come with love and not hatred Surely goodness and mercy shall follow I All the days of I life Envy no one, no wish to be with no evil man For there'll come the day When you'll be whipped by the father's hand Live up roots children Live up rasta children My head is anointed and my cup runneth over Surely goodness and mercy Shall follow I, all the days of I life Oh no, oh no Here I come with love and not hatred Surely goodness and mercy shall follow I All the days of I life Envy no one, no wish to be with no evil man For there'll come the day When you'll be whipped by the father's hand Live up roots children Live up rasta childrenMy head is anointed and my cup runneth over Surely goodness and mercy Shall follow I, all the days of I life
