

Derelict

Emmure

I'm just a fuck up
I'm no one
I'm nothing
I am the epitome of everything you should never wanna be
I lack the coping skills for everyday life
And I struggle just to speak to the people who know me best
I smile on the surface just to hide what's really on my chest
I take it all
I never give
You wanna be me?
It's easy, you just have to be a piece of shit
