

England

The National

Someone send a runner
Through the weather that I'm under
For the feeling that I lost today
Someone send a runner
For the feeling that I lost today
Someone send a runner
Through the weather that I'm under
For the feeling that I lost today
Someone send a runner
For the feeling that I lost today
You must be somewhere in London
You must be loving your life in the rain
You must be somewhere in London
Walking merrily
I don't even think to make
I don't even think to make
I don't even think to make corrections
Famous angels never come through England
England gets the ones you never need
I'm in a Los Angeles Cathedral
Minor singing airheads sing for me
You put an ocean and a river between everybody
Between everything, yourself and home
You put an ocean and a river
Between everything, yourself and home
You must be somewhere in London
You must be loving your life in the rain
You must be somewhere in London
Walking merrily
I don't even think to make
I don't even think to make
I don't even think to make corrections
Famous angels never come through England
England gets the ones you never need
I'm in a Los Angeles Cathedral
Minor singing airheads sing for me
Afraid of the house
Stay the night with the sinners
Afraid of the house
Stay the night with the sinners
Afraid of the house
'Cause they're desperate to entertain
Afraid of the house
Stay the night with the sinners
Afraid of the house
Stay the night with the sinners
Afraid of the house
'Cause they're desperate to entertain
Afraid of the house
Stay the night with the sinners
Afraid of the house

Stay the night with the sinners
Afraid of the house
'Cause they're desperate to entertain
Afraid of the house
Stay the night with the sinners
Afraid of the house
Stay the night with the sinners
Afraid of the house
'Cause they're desperate to entertain
