

# SLAY (feat. Quavo)

YG

I see you baby  
Swear to God you don't go unnoticed  
You killin' these bitches  
You killin' these bitches  
(Mustard on the beat ho)  
Ayy, it's YG, 4hunnid  
It's YG, 4hunnid One time if you a bad bitch (one time)  
Two time just for the savage (two time)  
All you wanna do is just slay, yeah  
All you wanna do is just slay, just slay  
All you wanna do is just slay (uhh)  
All you wanna do is just slay (whoop)  
Just slay  
Aww yeah  
Ayy, my bad for a bad bitch (one time)  
Complement your swag with a bad bitch (one time)  
I don't spend too much time without my savages  
So I fucking bought the Rollies for my savages  
In a four-door Bentley truck, just us  
I treat it like a coupe, damn, what the fuck?  
Walk in the club, savage to the front, savage to the back  
Got my savages holdin' you-know-what  
Bet you like the way I do it,  
I been talking all this shit, girl I'm tryna prove it (one time)  
Teeth whiter than a song, girl, I do it  
If you a bad bitch, I fuck you to my own music  
One time if you a bad bitch (one time)  
Two time just for the savage (two time)  
All you wanna do is just slay, yeah  
All you wanna do is just slay, just slay  
All you wanna do is just slay (uhh)  
All you wanna do is just slay (whoop)  
Just slay  
Aww yeah Big boys, big toys, side all day with my own boys  
Who am I? When you do what I say  
I'ma make sure that everyday that you gon' slay (slay)  
Good vibes, good days, no Ice Cube but it's Friday (it's Friday)  
She love when a nigga hit it sideways  
So every night, I'm gon' hit it sideways  
I'ma throw a couple tags at ya (tags)  
I'ma throw a whole bag at ya (bag at you)  
And I love it when you mad at me

I just make you look back at me  
One time if you a bad bitch (one time)  
Two time just for the savage (two time)  
All you wanna do is just slay, yeah  
All you wanna do is just slay, just slay  
All you wanna do is just slay (uhh)  
All you wanna do is just slay (whoop)  
Just slay  
Aww yeah  
Shawty you bad, shawty you bad  
Atlanta ass, I fly to Atlanta fast  
Side in it, hit you with the swag  
That BM, BM swag, swag, swag  
We could slide down P street  
I'm from LA, girl, you know I got that woo-wee  
But my savages don't P street  
I'ma act like I don't see you  
Just act you don't see me  
(One time) Good vibes, good vibes  
I can tell you right from what you look like  
And you know them good girls is hard to find  
Like wack rappers and punchlines, yeah  
One time if you a bad bitch (one time)  
Two time just for the savage (two time)  
All you wanna do is just slay, yeah  
All you wanna do is just slay, just slay  
All you wanna do is just slay (uhh)  
All you wanna do is just slay (whoop)  
Just slay  
Aww yeah
