

My Curse

Killswitch Engage

I watched you walk away Hopeless with nothing to say!

I screen my eyes

Hoping to see you again!

This is my curse (The longing)

This is my curse

(Time)

This is my curse

(The yearning)

This is my curse There is love

Burning to find you

Will you wait for me?

WILL YOU BE THERE?

Your silence haunts me But still I hunger for you!

This is my curse!

(The watching)

This is my curse!

(Time)

This is my curse!

(The needing) **THIS IS MY**

CURSE!

There is love Burning to find you

Will you wait for me?

And still I want And still I ache

But still I wait...

To see you again!

Dying

Inside

These Walls!

Dying

Inside

These

WALLS!

Can I see your face in these tears?

In these tears

And I see your face

There is love

THERE IS LOVE!

There is love

THERE IS LOVE!

There is love

THERE IS LOVE!

There is love

THERE IS LOVE!
