

That's What Love Is

Miki Howard

Whoa whoa whoa oh ho ho
Ooh ooh yeah
Ah, baby, baby, baby, baby, baby, ooh Girl, I love you so
I promise you I'll never let you go
Till the end of time
You will always be forever mine, baby We will share our joy
We'll care and understand each other, boy
A love that's built on trust
I'll never love again, you're the only one You give me all that I need
And I can't get you out of my mind
We have the love everyone wants
And we know it's real, 'cause the way we feel
It was so hard to find
Just like Romeo and Juliet
Our love is strong and stronger we'll get
Like a hand in glove, nothing's closer than this
That's what love is
(Oh oh, baby oh) Your touch, your tender kiss
Your smile I can't resist
No one can love me better
Until the end of time we'll be together You're a special part of me
A tender far beyond what one could see
Keep on lovin' me this way
Forever in my heart you'll always stay, baby Oh, you give me all that I need
And I can't get off of my mind
We have the love everyone wants, see and-and
And we know it's real 'cause the way we feel
It was so hard to find
Just like Romeo and Juliet
Our love is strong and stronger we'll get
Like a hand in glove, nothing's closer than this
That's what love is
(Oh)
Honey, honey, honey, baby, baby
Ooh ooh ooh ooh I love you forever, together for better
Caring and sharing, please don't leave me never
(No way)
Honey, honey, honey, baby, baby Just like Romeo and Juliet
Our love is strong and stronger we'll get
Like a hand in glove, nothing's closer than this
(Hey, hey, hey)
That's what love is

(Oh, when you hold me close to you, baby)It's just like Romeo and Juliet
(Ooh, hoo)
Our love is strong and stronger we'll get
(Hey, hey)
Like a hand in glove, nothing's closer than this
(Hey, baby, hey, baby)That's what love is
(That's what it is, that what it is)
(When you hold me, baby)
(When you squeeze, squeeze, squeeze)
That's what love is
(Baby, oh ho)(Oh, my baby, please, please)
Don't ever go never, don't ever go never
Don't ever go never, don't ever go never
Don't ever go never
That's what love isDon't leave me, baby
Please
No, no, no, no, no)
'Cause I'm not done lovin' youHey, hey, hey
Love when you squeeze, squeeze, squeeze me
I know you will need me, boy, I know that I love you, boy
You don't know what you do to meDon't leave me, don't leave me, no, no, no
You're drivin' me crazy, crazy
Oh, oh oh, ooh yeah
