Ghost Man On Third

Taking Back Sunday

Jynx me something crazy
Thinking if it's three
then I'm as smooth as the skin
rolls across the small of your back
It's too bad it's not my style

If you need me

I'm out and on the parkway, patient and waiting for headlights, dressed in a fashion that's fitting to the

inconsistencies of my moods

It's times like these where silence means everything

And no one is to know about this

It's times like these, where silence means everything
And no one is to know about this It's a campaign of distraction
and revisionist history, oh It's a shame I don't think that they'll notice
(it's a shame, I don't think that they'll notice)

It's a shame I doubt they even care

(it's a shame I doubt they even care)

No one has to know about this It's a shame I don't think that they'll notice (it's a shame, I don't think that they'll notice)

It's a shame I doubt they even care

(it's a shame I doubt they even care)

Don't let me down

But whatever I have gettin myself into maybe has been slicing inches from my waist

It's my fist vs. the bottle

(and thank god you weren't there...)

And that's how bad could this hurt

or against I won't feel a thing

(and thank god you weren't there...)

I tell you all about it

It's just not working out

(...to watch me hit the bottom)

not working outIt's a campaign of distraction and revisionist history, ohIt's a shame I don't think that they'll notice (it's a shame, I don't think that they'll notice)

It's a shame I doubt they even care

(it's a shame I doubt they even care)

No one has to know about this It's a shame I don't think that they'll notice (it's a shame, I don't think that they'll notice)

It's a shame I doubt they even care

(it's a shame I doubt they even care)

No one is to know about this

Don't let me downThis is why we were taught so much better than this This is why we were taught so much better than thisThis is what living like this does

This is what living like this does
