

Songbird

Fleetwood Mac

For you, there'll be no more crying
For you, the sun will be shining
And I feel that when I'm with you
It's alright, I know it's right
To you, I'll give the world
To you, I'll never be cold
'Cause I feel that when I'm with you
It's alright, I know it's right
And the songbirds are singing
Like they know the score
And I love you, I love you, I love you
Like never before
And I wish you all the love in the world
But most of all, I wish it from myself
And the songbirds keep singing
Like they know the score
And I love you, I love you, I love you
Like never before, like never before
like never before
