

Still Breathing

Green Day

I'm like a child looking off on the horizon
I'm like an ambulance that's turning on the sirens
Oh, I'm still alive I'm like a soldier coming home for the first time
I dodged a bullet, and I walked across a landmine
Oh, I'm still alive Am I bleeding?
Am I bleeding from the storm?
Just shine a light into the wreckage, so far away, away 'Cause I'm still breathing
'Cause I'm still breathing on my own
My head's above the rain and roses
Making my way away
'Cause I'm still breathing
'Cause I'm still breathing on my own
My head's above the rain and roses
Making my way away
My way to you I'm like a junkie tying off for the last time
I'm like a loser that's betting on his last dime
Oh, I'm still alive I'm like a son that was raised without a father
I'm like a mother barely keeping it together
Oh, I'm still alive Am I bleeding?
Am I bleeding from the storm?
Just shine a light into the wreckage, so far away, away 'Cause I'm still breathing
'Cause I'm still breathing on my own
My head's above the rain and roses
Making my way away
'Cause I'm still breathing
'Cause I'm still breathing on my own
My head's above the rain and roses
Making my way away, away As I walked out on the ledge
Are you scared to death to live?
I've been running all my life
Just to find a home that's for the restless
And the truth that's in the message
Making my way away, away 'Cause I'm still breathing
'Cause I'm still breathing on my own
My head's above the rain and roses
Making my way away 'Cause I'm still breathing
'Cause I'm still breathing on my own
My head's above the rain and roses
Making my way away 'Cause I'm still breathing
'Cause I'm still breathing on my own
My head's above the rain and roses
Making my way away

My way to you
