Still Breathing

Green Day

I'm like a child looking off on the horizon
I'm like an ambulance that's turning on the sirens
Oh, I'm still aliveI'm like a soldier coming home for the first time
I dodged a bullet, and I walked across a landmine
Oh, I'm still aliveAm I bleeding?

Am I bleeding from the storm?

Just shine a light into the wreckage, so far away, away'Cause I'm still breathing

'Cause I'm still breathing on my own

My head's above the rain and roses

Making my way away

'Cause I'm still breathing

'Cause I'm still breathing on my own

My head's above the rain and roses

Making my way away

My way to youI'm like a junkie tying off for the last time I'm like a loser that's betting on his last dime

Oh, I'm still aliveI'm like a son that was raised without a father

I'm like a mother barely keeping it together

Oh, I'm still aliveAm I bleeding?

Am I bleeding from the storm?

Just shine a light into the wreckage, so far away, away'Cause I'm still breathing

'Cause I'm still breathing on my own

My head's above the rain and roses

Making my way away

'Cause I'm still breathing

'Cause I'm still breathing on my own

My head's above the rain and roses

Making my way away, awayAs I walked out on the ledge

Are you scared to death to live?

I've been running all my life

Just to find a home that's for the restless

And the truth that's in the message

Making my way away, away'Cause I'm still breathing

'Cause I'm still breathing on my own

My head's above the rain and roses

Making my way away'Cause I'm still breathing

'Cause I'm still breathing on my own

My head's above the rain and roses

Making my way away'Cause I'm still breathing

'Cause I'm still breathing on my own

My head's above the rain and roses

Making my way away
