

Rebel Radio

Paris Texas

The corporation close down quit the ground and cut out leave the doors and lock town rebel
radio the news across the nation a county's new position has placed all its
Attention on rebel radio so set up so get up and get set and get ready we're gonna write a whole
new history out of the gates the beginning are we learning or pretending so set up so get up and
get set and get ready we're gonna write a whole new history far from the cage cross the finish
did we lose or did we win to get down you have to get up stand for sounds
That you love and a more likeable pin-up rebel radio don't mourn they mix they filter sifting for
the smaller little brother little sister rebel radio so set up so get up and get set and get ready
we're gonna write a whole new history out of the gates the beginning are we learning or
pretending so set up so get up and get set and get ready we're gonna write a whole new history
far from the cage cross the finish did we lose or did we win out of the gates the beginning this
time though i think we're winning no not kids who finish second rather quit or face a forfeit
raise your arms like they're antenna i was there i yelled my head off rebel radio is loud and all
our work is working out
