

Falling Away (feat. Lights)

Seven Lions

I didn't want to think
Cause I knew I was out of my mind
You pulled me from the break
And brought me to the other side And I
Think we're there
And I Think we're there So goodnight goodnight
Don't have to have it all figured out
We'll be alright
What comes back is gonna come back
Tomorrow when we meet Just take me to a place I've never been
Find me in the sweetest oblivion
Oh, oh
We have it all
In front of us
And I can't see the
Sun is up to cover us
I'm lifted up
Take me to a beautiful day
And I feel like our
Shadow is falling away
Falling away
Falling away
Falling away
Falling away
Falling away
Falling away So goodnight goodnight
Don't have to have it all figured out
We'll be alright
What comes back is gonna come back
Tomorrow when we meet
Just take me to a place I've never been
Find me in the sweetest oblivion We have it all
In front of us And I can't see the
Sun is up to cover us
I'm lifted up
Take me to a beautiful day
And I feel like our
Shadow is falling away
Falling away
Falling away
Falling away
Falling away
