

# Falling Away (feat. Lights)

## Seven Lions

I didn't want to think  
Cause I knew I was out of my mind  
You pulled me from the break  
And brought me to the other side And I  
Think we're there  
And I Think we're there So goodnight goodnight  
Don't have to have it all figured out  
We'll be alright  
What comes back is gonna come back  
Tomorrow when we meet Just take me to a place I've never been  
Find me in the sweetest oblivion  
Oh, oh  
We have it all  
In front of us  
And I can't see the  
Sun is up to cover us  
I'm lifted up  
Take me to a beautiful day  
And I feel like our  
Shadow is falling away  
Falling away  
Falling away  
Falling away  
Falling away  
Falling away  
Falling away So goodnight goodnight  
Don't have to have it all figured out  
We'll be alright  
What comes back is gonna come back  
Tomorrow when we meet  
Just take me to a place I've never been  
Find me in the sweetest oblivion We have it all  
In front of us And I can't see the  
Sun is up to cover us  
I'm lifted up  
Take me to a beautiful day  
And I feel like our  
Shadow is falling away  
Falling away  
Falling away  
Falling away  
Falling away
