## **Miracle**

## **Paramore**

I've gone for too long Living like I'm not alive So I'm going to start over tonight Beginning with you and I When this memory fades I'm gonna make sure it's replaced With chances taken Hope embraced And have I told you?I'm not going 'Cause I've been waiting for a miracle And I'm not leaving I won't let you Let you give up on a miracle When it might save you We've learned to run from Anything uncomfortable We've tied our pain below And no one ever has to know That inside, we're broken I tried to patch things up again To cut my tears and kill these fears But have I told you, have I?I'm not going 'Cause I've been waiting for a miracle And I'm not leaving I won't let you Let you give up on a miracle When it might save youIt's not faith if If you use your eyes Oh why

We'll get it right this time (this time)
Let's leave this all behind
Oh whyWe'll get it right this time
It's not faith if you're using your eyes
Oh whyI've gone for too long
Living like I'm not alive
So I'm going to start over tonight

Beginning with you and II don't want to run from anything uncomfortable I just want, no

I just need this pain to end right hereI'm not going 'Cause I've been waiting for a miracle
And I'm not leaving
I won't let you

Let you give up on a miracle
'Cause it might save you
Yeah, it might save you
Oh, it might save you
It's not faith if, if you use your eyes
If you use your eyes
If you use your eyes
