

Rollin' (feat. Kid Cudi)

Jackie Chain

Block Beaters Chorus : Rollin Rollin Rollin We aint Slept in weeks (Jackie Chain) Poppin bottles
keep em pourin

How we ball in vip its jackie chain
who da man

I keep myself surrounded by some dime pieces err night

Tall and short and thick and skinny black and white err errrytype

Keep em comin aint no secret if she wit it she can get but just wait give me a minute (cu-cuz
right now the room is spinnin)

Orange juice to kick it in, rollin blunts and kickin it

Music bumpin aint it something how they get to stickin it

Feel the bass is beatin hard against her body make her horny

Guess she heard i keep them skittles thats why she be all up on me

5 blunts of perp and i still aint high hold up

10 pack of pills halfway gone im bout to blow up

Blowin up is all good that just keep my buzz in
on the couch lovin the way these girls back rubbin
blowin on the sweets and your boy about to peak

i been rollin rollin rollin i aint slept in weeks

Chorus x5 Bridge:

Purple planes

Green Spades

Naked ladies

Supaman

Supastars

Oh my god

Im rollin man , im rollin hard Verse 2

Cuz them chicks look like the trickin when they see us 26'in

Triple stack or supa got my pupis big as biscuits

Rollin on the river got the dro in and the liqour at the store get the swisher drop a candy and a
twizzler

Pop up wit my nigaa my roll face on me

Teethin rang time seein things it like my whole face gone

Im stretchin through the night put them freaks up on that pipe

freaky deaky off that white yea thats the type i like

its like im always in the night put them hoes in the back

smokin pouring up the drank something golden in my sprite 4 oz to the pint go'on po some mo
up

leanin hella off that yella put some mo in my cup

mello purple, yellow green man i dont give a fuck

i got the whole rainbow inside a styrofoam cup

because im rollin turn on the heater its kinda cold

because im rollin my last lil beer lets get some mo

Chorusx5Bridge:
