

# Paradise

Vanessa Carlton

Once upon a year gone by  
She saw herself give in  
Every time she closed her eyes  
She saw what could have been  
Well, nothing hurts and nothing bleeds  
When cover's tucked in tight  
Funny when the bottom drops  
How she forgets to fight  
To fight And it's one more day in paradise  
One more day in paradise  
As darkness quickly steals the light  
That shined within her eyes  
She slowly swallows all her fear  
And soothes her mind with lies  
Well, all she wants and all she needs  
Are reasons to survive  
A day in which the sun will take her artificial light  
Her light And it's one more day in paradise  
One more day in paradise  
It's one more day in paradise  
One last chance to feel alright  
Alright Don't pretend to hold it in, just let it out  
Don't pretend to hold it in, just push it out  
Don't you try to hold it in, just let it out  
Don't you try to hold it in, hold it in  
One more day in paradise  
One more day in paradise  
It's one more day in paradise  
One last chance to feel alright Once upon a year gone by  
She saw herself give in  
Every time she closed her eyes  
She saw what could have been
