

# Flicker

Niall Horan

When you feel your love's been taken  
When you know there's something missing  
In the dark, we're barely hanging on  
Then you rest your head upon my chest  
And you feel like there ain't nothing left  
I'm afraid that what we had is gone Then I think of the start  
And it echoes a spark  
And I remember the magic and electricity  
Then I look in my heart  
There's a light in the dark  
Still a flicker of hope that you first gave to me  
That I wanna keep  
Please don't leave  
Please don't leave  
When you lay there and you're sleeping  
Hear the patterns of your breathing  
And I tell you things you've never heard before  
Asking questions to the ceiling  
Never knowing what you're thinking  
I'm afraid that what we had is gone Then I think of the start  
And it echoes a spark  
And I remember the magic and electricity  
Then I look in my heart  
There's a light in the dark  
Still a flicker of hope that you first gave to me  
That I wanna keep  
Please don't leave  
Please don't leave And I want this to pass  
And I hope this won't last  
Last too long  
Then I think of the start  
And it echoes a spark  
And I remember the magic and electricity  
Then I look in my heart  
There's a light in the dark  
Still a flicker of hope that you first gave to me  
That I wanna keep  
Please don't leave  
Please don't leave
