

# Vanderlyle Crybaby Geeks

## The National

Leave your home  
Change your name  
Live alone  
Eat your cake Vanderlyle, crybaby, cry  
Oh, the waters are rising  
Still no surprising you  
Vanderlyle, crybaby, cryMan, it's all been forgiven  
Swans are a-swimming  
I'll explain everything to the geeks All the very best of us  
String ourselves up for love  
All the very best of us  
String ourselves up for love  
All the very best of us  
String ourselves up for love  
All the very best of us  
String ourselves up for love Vanderlyle, crybaby, cry  
Oh, the waters are rising  
Still no surprising you  
Vanderlyle, crybaby, cryMan, it's all been forgiven  
Swans are a-swimming  
I'll explain everything to the geeks Hanging from  
Chandeliers  
Same small world  
At your heels  
All the very best of us  
String ourselves up for love  
All the very best of us  
String ourselves up for love All the very best of us  
String ourselves up for love  
All the very best of us  
String ourselves up for love Vanderlyle, crybaby, cry  
Oh, the waters are rising  
Still no surprising you  
Vanderlyle, crybaby, cryMan, it's all been forgiven  
Swans are a swimming  
I'll explain everything to the geeks I'll explain everything to the geeks  
I'll explain everything to the geeks
