

Back 2 the Wild

Basement Jaxx

So, are you ready to go?
Do you wanna go?
Do you wanna go?
Do you wanna go back?
Back to the wild
I wanna go, I wanna go
Back, back to the wild
To the jungle
Take me to the jungle
Let's drink with the animals
Let's smell some flowers
Well meet ... and sna? dragons
Let's get naked
Chorus:
I wanna go back
Back to the wild
I wanna go,
I wanna go back
Back to the wild
To the jungle
Take me to the jungle
I wanna go back
Back to the wild
I hear nature calling me
I hear nature calling me
I wanna go back
Back to the wild
To the jungle
Take me to the jungle
Flash like thunder, like lightening
I hear nature calling me, can you hear it, can you hear it?
Living an exotic dream
Do you wanna go?
Do you wanna go?
Do you wanna go?Chorus:
I wanna go back
Back to the wild
I wanna go,
I wanna go back
Back to the wild
To the jungle
Take me to the jungle

I wanna go back
Back to the wild
I hear nature calling me
I hear nature calling me
I wanna go back
Back to the wild
To the jungle
Take me to the jungle Yeah,
Y'all in?
Y'all in?
Y'all in?
Y'all in? It's a freak show
It's a freak show
It's a freak show
It's a freak show
It's a freak show
It's a freak show Are you ready to go?
Do you wanna go?
Do you wanna go?
Do you wanna go? Chorus:
I wanna go back
Back to the wild
I wanna go,
I wanna go back
Back to the wild
To the jungle
Take me to the jungle
I wanna go back
Back to the wild
Let's find the silence
I hear nature nature
I wanna go back
Back to the wild
To the jungle
Take me to the jungle I feel it, I feel the breeze
Glowing moist upon my skin
I hear nature, nature calling me
I hear nature, nature calling me
I hear nature, nature calling me
I hear nature, nature calling me
I hear nature, nature calling me
Come on, let the nature in
