Back 2 the Wild

Basement Jaxx

So, are you ready to go? Do you wanna go? Do you wanna go? Do you wanna go back? Back to the wild I wanna go, I wanna go Back, back to the wild To the jungle Take me to the jungle Let's drink with the animals Let's smell some flowers Well meet ... and sna? dragons Let's get naked Chorus: I wanna go back Back to the wild I wanna go, I wanna go back Back to the wild To the jungle Take me to the jungle I wanna go back Back to the wild I hear nature calling me I hear nature calling me I wanna go back Back to the wild To the jungle Take me to the jungle Flash like thunder, like lightening I hear nature calling me, can you hear it, can you hear it? Living an exotic dream Do you wanna go? Do you wanna go? Do you wanna go?Chorus: I wanna go back Back to the wild I wanna go, I wanna go back Back to the wild To the jungle Take me to the jungle

I wanna go back Back to the wild I hear nature calling me

I hear nature calling me I wanna go back

I wanna go back

Back to the wild

To the jungle

Take me to the jungleYeah,

Y'all in?

Y'all in?

Y'all in?

Y'all in?It's a freak show

It's a freak showAre you ready to go?

Do you wanna go?

Do you wanna go?

Do you wanna go?Chorus:

I wanna go back

Back to the wild

I wanna go,

I wanna go back

Back to the wild

To the jungle

Take me to the jungle

I wanna go back

Back to the wild

Let's find the silence

I hear nature nature

I wanna go back

Back to the wild

To the jungle

Take me to the jungleI feel it, I feel the breeze

Glowing moist upon my skin

I hear nature, nature calling me

Come on, let the nature in
