

# Safe and Sound

## Rebelution

When we come down oh yeah yeah yeah  
We'll be dreaming safe and sound  
You better know why  
Baby that's all I got  
When we come down oh yeah yeah yeah  
We'll be dreaming safe and sound  
You better know why  
Baby that's all I got  
Baby that's all I got  
Is this the kind of sound that you want to hear?  
Is this the kind of vibe that you want to feel?  
Well I'm the type of guy that you'll never fear  
You can do your thing then come near  
Maybe I'm, I'm caught up in the thing that you know I like  
See we can make time baby overnight  
Or we could make a grand escape  
We can roll high on our break  
I'm all about the look that you're giving me  
I'm all about the dance moves you're letting free  
I'm all about a sweet sounding loving spree  
So listen for my melody  
Maybe I'm caught up in the thing that you know I like  
We can make time baby overnight  
We could make a grand escape  
And we can roll high by the way  
When we come down oh yeah yeah yeah  
We'll be dreaming safe and sound  
You better know why  
Baby that's all I got  
When we come down oh yeah yeah yeah  
We'll be dreaming safe and sound  
You better know why  
Baby that's all I got  
Baby that's all I got  
This is the kind of sound that I want to hear  
This is the kind of vibe that I want to feel  
And you're the type of girl baby on the real  
Check it one time, what's the deal?  
Maybe I'm, I'm caught up in the thing that you know I like  
See we can make time baby overnight  
See we could make a grand escape  
Or we can roll high by the way  
When we come down oh yeah yeah yeah  
We'll be dreaming safe and sound  
You better know why  
Baby that's all I got  
When we come down oh yeah yeah yeah  
We'll be dreaming safe and sound  
You better know why  
Baby that's all I got  
Baby that's all I got

All I got...

I...

When we come down oh yeah yeah yeah

We'll be dreaming safe and sound

You better know why

Baby that's all I got

When we come down oh yeah yeah yeah

We'll be dreaming safe and sound

You better know why

Baby that's all I got

Baby that's all I got

Baby that's all I got
