

Drip Too Hard

Lil Baby & Gunna

[Intro]

Run that back, Turbo[Verse 1: Lil Baby]

You can get the biggest Chanel bag in the store if you want it

I gave 'em the drip, they sucked it up, I got 'em moanin'

I bought a new Patek, I had the watch, so I two-toned 'em

Takin' these drugs, I'm gon' be up until the morning

That ain't your car, you just a leaser, you don't own it

If I'm in the club, I got that fire when I'm performin'

The backend just came in, in all hundreds

Fives galore, cute shit, they all on us

I'm from Atlanta where young niggas run shit

I know they hatin' on me, but I don't read comments

Whenever I tell her to come, she comin'

Whenever it's smoke, we ain't runnin'

[Chorus: Lil Baby & Gunna]

Drip too hard, don't stand too close

You gon' fuck around and drown off this wave

Doing all these shows, I've been on the road

I don't care where I go, long as I get paid

Bad lil' vibe, she been on my mind

Soon as I get back, she gettin' slayed

Do this all the time, this ain't no surprise

Every other night, another movie gettin' made

Drip too hard, don't stand too close

You gon' fuck around and drown off this wave

Doing all these shows, I've been on the road

I don't care where I go, long as I get paid

Bad lil' vibe, she been on my mind

Soon as I get back, she gettin' slayed

Do this all the time, this ain't no surprise (yeah)

Every other night, another movie gettin' made

[Verse 2: Gunna]

Every other night, another dollar gettin' made

Every other night started with a good day

I feel like a child, I got boogers in the face

Diamonds dancin' in the dark like this shit is a parade

I don't want your chain, I'm gon' want another slave

I had to draw the line, too many bitches gettin' saved

TSA harass me, so I took a private plane

These pussy niggas ain't like it, that's why I'm workin' on my aim

Drip too hard, attracted to the cars

Designer to the ground, I can barely spell the names

Drip too hard, caution on the floor
You gon' fuck around and drown tryna ride a nigga wave [Chorus: Lil Baby]
Drip too hard, don't stand too close
You gon' fuck around and drown off this wave
Doing all these shows, I've been on the road
I don't care where I go, long as I get paid
Bad lil' vibe, she been on my mind
Soon as I get back, she gettin' slayed
Do this all the time, this ain't no surprise
Every other night, another movie gettin' made
Drip too hard, don't stand too close
You gon' fuck around and drown off this wave
Doing all these shows, I've been on the road
I don't care where I go, long as I get paid
Bad lil' vibe, she been on my mind
Soon as I get back, she gettin' slayed
Do this all the time, this ain't no surprise
Every other night, another movie gettin' made
