## Sister Golden Hair

## **America**

Well I tried to make it Sunday But I got so damned depressed That I set my sights on Monday And I got myself undressed I ain't ready for the altar But I do agree there's times When a woman sure can be a friend of mineWell, I keep on thinkin' 'bout you Sister Golden Hair surprise And I just can't live without you Can't you see it in my eyes I've been one poor correspondent And I've been too, too hard to find But it doesn't mean you ain't been on my mind Will you meet me in the middle Will you meet me in the end Will you love me just a little Just enough to show you care Well I tried to fake it I don't mind savin' I just can't make itWell, I keep on thinkin' 'bout you Sister Golden Hair surprise And I just can't live without you Can't you see it in my eyes Now, I've been one poor correspondent And I've been too, too hard to find But it doesn't mean you ain't been on my mind Will you meet me in the middle Will you meet me in the end? Will you love me just a little Just enough to show you care
