

Oh No (feat. Estelle)

KAYTRANADA

Gimme a reason, gimme a reason, to go
'Cause I can't stand to be here watching you break some soul
Gimme your silence, watching me walk out the door
Yeah, I'ma take my time and do what I got to do Oh-oh no
Oh-oh no
Oh-oh no
Oh-oh no, oh-oh, oh-oh, no
Oh-oh no
Oh-oh no
Oh-oh no
Oh-oh no, oh-oh, oh-oh Not wasting time, oh, with your time
I pray you see you can always leave
Oh, what you do, don't you worry, no
You're not right for me
Gimme a time when I wasn't sat there alone
And no one could see me so nobody called on the phone
I was in silence, lettin' my heart break alone
So I took my time and figured I'm good on my own Oh-oh no
Oh-oh no
Oh-oh no
Oh-oh no, oh-oh, oh-oh, no
Oh-oh no
Oh-oh no
Oh-oh no, oh-oh, oh-oh no Not wasting time, oh, with your time
I pray you see you can always leave
Oh, what you do, don't you worry, no
You're not right for me
I'm over there
Be over there
Not anywhere
Don't wanna let go
I'm over there
Be over there
Not anywhere
Don't wanna let go
I'm over there
Be over there
Not anywhere
Don't wanna let go
I'm over there
Be over there
Not anywhere

Don't wanna let go Oh-oh no
Oh-oh no
Oh-oh no
Oh-oh no, oh-oh, oh-oh, no
Oh-oh no
Oh-oh no
Oh-oh no, oh-oh, oh-oh, no I'm over there
Be over there
Not anywhere
Don't wanna let go
I'm over there
Be over there
Not anywhere
Don't wanna let go
I'm over there
Be over there
Not anywhere
Don't wanna let go
I'm over there
Be over there
Not anywhere
Don't wanna let go
I'm over there
Be over there
Not anywhere
Don't wanna let go
