If

Dean Martin

If they made me a king I'd be but a slave for you

If I had everything I'd still be a slave for you

If I ruled the night
Stars and moon so bright

Still I'd turn for life to youIf the world to me bowed yet humbly I'd plead to you

If my friends were a crowd I'd turn my needs to you

If I ruled the earth

What would life be worth

If I hadn't the right to you

If my friends were a crowd I'd turn my needs to you

If my friends were a crowd I'd turn my needs to you

If I ruled the earth

What would life be worth

What would life be worth

If I hadn't the right to you
