

# Rocket

## Working for a Nuclear Free City

If you you're born a slave  
Can you help the few?  
If you feel unclean  
Better bleach your body,If you're felling hate  
Better kill somebody,If you're feeling ill  
Better leave your body,If you wanna leave  
Better build a Rocket.(X3)  
If you wanna leave  
Better build a Rocket. (X2)
