

# Crystal Run

## Guerilla Toss

Change the frequency  
Move freely  
Shift the tone of it  
Breathe easy??? trained to speak  
Never spoke  
Going from the room  
Of cosmos???, scaling terrain  
???

Worry about???

Dripping purposeChange the frequency  
Move freely  
Shift the tone of it  
Breathe easy  
How and where am I?  
Can you visit?  
Not an easy trip  
From that distanceJamming forward  
Stay in one place  
???

???Change the frequency  
Move freely  
Shift the tone of it  
Breathe easy??? trained to speak  
Never spoke  
Going from the room  
Of cosmos  
??? turns to blue  
In a new light  
???

Like deja vu???

And you are wrong  
No need to withdraw  
???The secret???

Was under the???

???

???And from the???

I flew alone  
Pouring out light  
The cover the dark
