Bring Me to Life (feat. Myles & Kalin)

Skylar Stecker

You remind me of everything I like It's so good just to have you by my side Yeah, Yeah, Yeah, Yeah

When i'm with you I wanna touch the sky...

Take my hand make me feel like I can flyAll I need is you and me it's like im on cloud 9

Bring me to life ha ha Bring me to life

i keep reaching for this feeling every single time

bring me to life ha ha bring me to life

and I say hey take me

i want attention man want attention man

hey baby bring me bring me to life

x2

oh nanana oh nanana eh

oh nanana oh nanana eh

oh nanana oh nanana eh

bring me bring me to lifewhen you talk all i wanna do is listen

give me everything i thought was missing
