

# Get It Tonight (feat. Flo Rida)

Erika Jayne

Hey! It's goin' down tonight, tonight  
That special you like, you like  
You like, you like, you like, you like  
Hey! It's goin' down tonight, tonight  
That special you like, you like  
You like, you like, you like, you like Caught my eye looking kinda fly  
And I can't lie, you got a little something I like  
I'm usually the center of attention  
Just for the night, I'll let you share the spotlight  
Baby, can you tame me Tonight I'm feeling kinda crazy  
It's amazing, just saying  
We could fall in love for the night  
Hey Mr. Sexy, standing over six feet Boy you look good, we can get it tonight  
Love how you do it, 'bout to make me lose it  
Boy you look good, we can get it tonight We stayin' in tonight, we turnin' out the lights  
Need you to make me feel alive  
We in the zone right now  
Tonight it's going down  
Alright, alright, alright  
Let's get it tonight You got me 'bout to lose my cool  
Take me to the limit, tell me, tell me can you  
You make me wanna break all the rules, rules  
Let's get it tonight night  
You got me singing  
Baby, can you tame me  
Tonight I'm feeling kinda crazy  
It's amazing, just saying  
We could fall in love for the night  
Hey Mr. Sexy, standing over six feet  
Boy you look good, we can get it tonight Love how you do it, 'bout to make me lose it  
Boy you look good, we can get it tonight We stayin' in tonight, we turnin' out the lights  
Need you to make me feel alive  
We in the zone right now  
Tonight it's going down  
Alright, alright, alright  
Let's get it tonight Hey! It's goin' down tonight, tonight  
I get it on blue light, blue light  
That special, you like, you like  
When I box the box and we foo fight  
Every day I got a new flight  
So every night I make it better than the previous  
No bed give it to you where the TV is

Full spread good head so genius  
F-L-O-R-I-D-A plus beat that like Bruce Lee We sex I leave, don't sue me  
I'll be back soon for round 2 please  
My Popeyes a 2 piece  
Paid for everything them dudes lease  
So tonight'll be a damn good night  
Hop in the 2 seater  
Tell your friends goodnight  
Heh heh hehHey Mr. Sexy, standing over six feet  
Boy you look good, we can get it tonight Love how you do it, 'bout to make me lose it  
Boy you look good, we can get it tonight Tonight, let's get it tonight
